

NOTHANDO TRAINING

Services

In-Person Training

We facilitate our 1, 2 and 3-day courses on campus or customize the duration to suit the institution and student's needs. We also provide one-on-one academic coaching.

Contact us today

Online Learning

Students can complete our courses online at their own pace and convenience. They can also schedule live online sessions with our academic coach for additional support. Browse courses here: [button](#)

Blended Training

Technology has many benefits and we believe in using technology alongside a personal, interactive approach to learning. In our blended approach students have access to our courses online and we provide on campus training, Q and A's and academic coaching.
